

JAISAN SANJAI.A

MECHANICAL ENGINEER

OBJECTIVE

"To work in a progressive organization where I can apply my mechanical engineering knowledge and learn new technologies."

WORKSHOP

- Attended a workshop on "EVERYTHING 3D" at CAD CENTRE Trichy. (15-05-2024)
- Attended a workshop on "3D-Printing Assembling" at SARANATHAN College of Engineering Trichy (10-10-2024)
- Attended a workshop on "Fusion 360 " at SARANATHAN College of Engineering Trichy (03-03-2024)
- Attended a 3 Days workshop on "EVERYTHING 3D Piping Design " at SARANATHAN College of Engineering Trichy (23/09/2025-25/09/2025)
- Attended a workshop on "Raspberry & Arduino Kit with IoT" at SARANATHAN College of Engineering Trichy (10-09-2025)

PAPER PRESENTATION / CONFERENCES

- Presented a paper on "EDM Optimization for High-Precision Machining of D3 Steel in Aerospace Applications" at ICAAN 2025, Saranathan College of Engineering, Trichy.

INTERNSHIP

- Done a academic internship from 14-06-2025 to 28-06-2025 with GB NDT ENGINEERING SERVICES Trichy

TECHNICAL SKILLS

- Operating System Installation (Windows / Linux)
- Basic Computer Maintenance and Troubleshooting
- CAD Software: AutoCAD, Fusion 360
- 3D Printing and Assembly Techniques

TECHNICAL SKILLS (MECHANICAL)

- Solid works
- Fusion 360
- Auto-cad (2d,3d)

EDUCATION

HSC

Infant Jesus Hr secondary school,Lalgudi
Completed in 2020

SSLC

St.Josephs college Hr secondary school Trichy
Completed in 2022

Mechanical engineering

Saranathan College of engineering Pursuing

SKILL

- Communication skill
- Management Skill
- Leadership Teamwork
- Creativity

LANGUAGES

- English
- Tamil
